

Firs Primary School - School Uniform Policy

The policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in the school;
- produces a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind.
