Task 1

How did the ancient Egyptians farm?

Use the video link below to write about how ancient Egyptians farmed, and why it was important to them.

Things to think about:

- Why was the River Nile important?
- What things did they need to know and why?
- What crops did they grow?
- What were the seasons?
- What tools did they use?
- How did they preserve the crops?

You may use the internet to research any additional information to include in your writing.
