10 tens
100, 90, 80, ...

100 one hundred

2

50 and 2 make 52.

We can count in tens and ones.

We write 52 as fifty-two.

3

How many tens make 100?

Guided Practice

1 Count. Write in numbers.

(a)

(b)

(c)

(d)

2 Write the missing numbers.

(a) 40, 50, , , 80, , 100

(b) 90, 80, 70, , , , 30, 20,

Activity Time

Work in pairs.

What you need:

- Think of a 2-digit number between 40 and 100.
- Use to show the number. Ask your partner to guess the number of cubes. Then, get him or her to count the cubes.
- Take turns to repeat ① and ②.

Can you use to show 100?
