

## Tuesday 14<sup>th</sup> April – Task 2

On plain paper, use the picture news question from this week to create your own leaflet on how to prepare for a test. Think about what things help you to prepare for tests. Use the leaflet plan below to help organise your leaflet.

### Leaflet plan

Plan and write a leaflet with advice and tips for preparing for a test.

What is your title?

---

Introduction – why have you created the leaflet?

---

---

What advice and tips will you include?

---

---

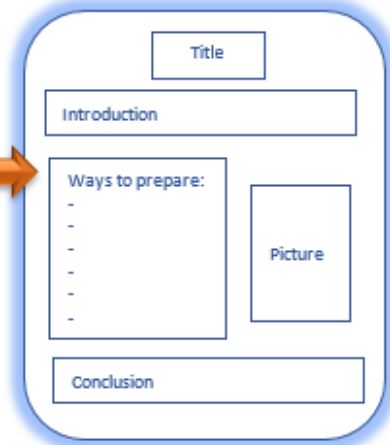

---

Conclusion – can you reassure your reader? Offer a last piece of advice? E.g. always prepare and try your best but remember tests aren't everything!

---

---

How will you organise your leaflet? Look at the example then create your own sketch to show where things will go.

**Write your leaflet. Have you included:**

- A title
- Headings and sub-headings
- Different fonts
- An attractive and eye-catching design
