

Tuesday 19th May: ART L.O: To observe and imitate details natural objects.

Rene Lalique was a famous French artist who made jewellery and glassworks. He is remembered for his "art deco" style and his detailed jewellery designs. His jewellery is well known for its **details including diamonds, pearls, plants, people, animals and flowers.**

Today, his antique designs sell for between £10,000 and £250,000.

Some of Rene Lalique's Jewellery Designs

Using these images as inspiration, last time you designed a piece of jewellery in the style of Rene Lalique.

Now we will focus on the details Lalique used. Try to sketch the plants/ flowers using the sketching skills we have previously practiced.
