

Imagine you have arrived at your chosen destination after Zog has flown you there.
Can you write a postcard from that place to the people back at home?

The form is a large rectangle with a thick black border. It is divided into three main sections. The top section is a large empty space for drawing. A horizontal line separates this from the middle section, which contains six vertical lines for writing. The bottom right corner of the middle section contains a small square box for an address.

Zog's 'super power' is being able to fly. If you could have a super power, what would it be, and why?
