Hands move in a circular motion around the stomach

If it makes you feel funny in your tummy

 <p>Worried</p> <p>Hands move in a circular motion around the head</p>	 <p>scared</p> <p>Clawed hand taps the chin</p>	 <p>Or sad</p> <p>Hand moves from the front of the face downwards to chest height</p>
 <p>Then you must*</p> <p>Hand moves straight across body</p>	 <p>tell</p> <p>Hand moves outwards away from the face</p>	 <p>a grown up</p> <p>Hand moves up above the head</p>
 <p>Like a teacher</p> <p>Fingers move from the head outwards</p>	 <p>Or a mum</p> <p>3 fingers move up to and touch the forehead</p>	 <p>Or dad</p> <p>2 fingers cross over 2 fingers on the other hand</p>

The Funny Tummy Song

Jessie and Friends Episode 2

It's fun to share a picture
With friends and family

If someone else is in it, check they're happy for others to see

If somebody shares something
That makes you go 'Uh-oh'
You're not alone

Put down the phone

Here's what you need to know...

If it makes you feel funny
In your tummy

Worried, scared or sad
Then you must

Tell a grown up you trust

Like a teacher or a mum or dad

If it makes you feel funny
In your tummy

That something's no OK
It's not your fault

Just tell an adult

They'll help to make it go away.
they'll help to make it go away.
