

## History

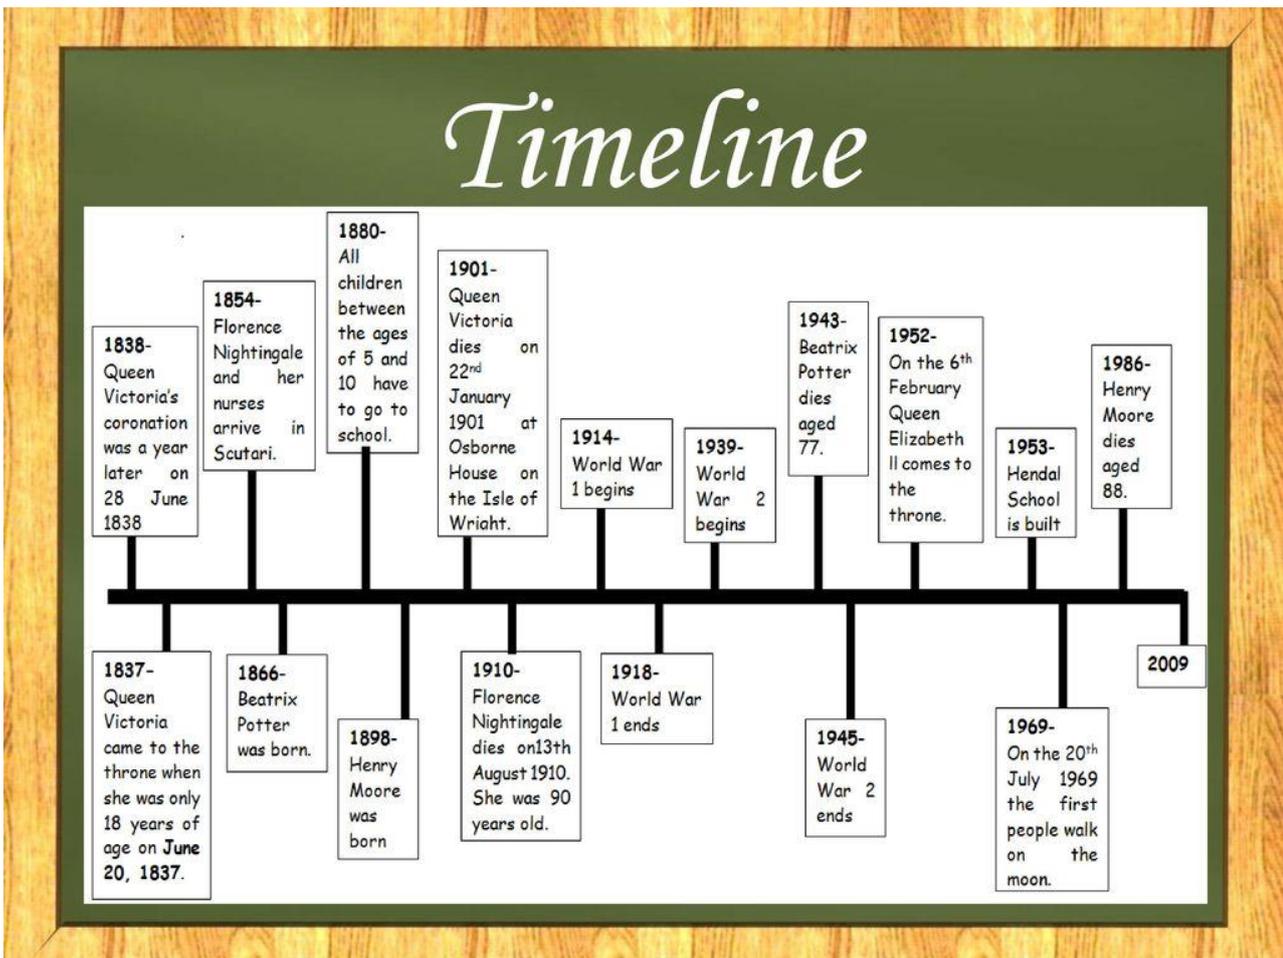

LO: To create a timeline of key events from 1837 to 2015.

### Task 1

Create a timeline to show the key events from 1837 to now.

You can use the events from the power point and add some more of your own if you wish.

You can choose how to present your timeline. Here is an example to give you an idea.

### Task 2

Look at the second powerpoint about changes in toys. Add these to the timeline.
