

History

Research Task: Find out what things were like during the 1950s, 1960s, 1970s, 1980s and 1990s

How have things have changed over time? Choose one aspect of everyday life. You could choose: clothes, hairstyles, cars, technology, TV programmes, music, dancing

- Research using the internet and or talking to your family. What did things used to be like? How are they different to what we have today.
- You may decide to present using powerpoint, an information leaflet, a non-chronological report, timeline etc.
