

VE day Family Activities

- To celebrate VE day people usually have street parties, however this can't happen this year because of lock down. Could you have a 'in house' street party with your family instead?

- You could make bunting to decorate your house. If you do this, please send me a photo on class dojo or on the learning platform!
- At your street party you could sing 'We'll meet again' by Dame Vera Lynn (from Thursday's home learning)
- You could try cooking some war time recipes

- There will also be a minute's silence at 11am
