Task:

- What does it mean to be **fair**? Do you think fairness

          

should be constant and everywhere?

- Is it fair that every person one earth should have food,

          

drink, a home and a chance in **life?**

        

Look at these statements by Mother Teresa

'God doesn't require us to succeed. He just requires us to try.'	'I am a pencil in God's hand. God is writing a love letter to the world.'	'Don't be satisfied with giving money to charity. Instead spread your love everywhere you go.'
'Do something beautiful for God.'	'If you cannot feed one hundred people, then just feed one.'	'Give the world the best you have, and it may never be enough. Give your best anyway, for you see, in the end, it is between you and God.'

- Do you agree with the statements?

           

Task: Choose the statement which you think is the most

        

important. Explain your reasons.
