What could you do if you wanted to help someone feeling angry to feel the opposite: would an action to show you care make someone happier? Can you do a role play with someone at home? How would you make a sad person feel happy, an angry person feel calm, a cross person feel relaxed?

<https://youtu.be/TtDMuVw2xUI> if you watch this link it has a song call you are a star. If you type 'you are a star by fishy music the song will come up.

- Do you think music can sometimes cheer us up?
- A world without caring would be a sad place, why do you think this?
- What would happen if everyone was caring?

Can you learn the song?
