

The number of people seeking to start a career in the healthcare sector has risen during the pandemic, official figures reveal. Health leaders said the wish shown by thousands of people to help them to fight illness was “truly humbling”. The NHS Health Careers website has seen a 220% rise in people expressing an interest in becoming a nurse.

Things to talk about at home...

- Why do you think that lots of people want to work in healthcare at the moment?
- Do you have any idea what you would like to do or be when you are older?
- Can you talk to other people in your home, what jobs interest them?
- If it's someone older, ask them if they can remember what they were interested in doing or being when they were younger – are they doing it now?
