Maths - See below

Watch this video on White Rose https://whiterosemaths.com/homelearning/year-2/

Reading - Read one of your favourite books to you parent/carer. If you have ran out of books, log on to your myon.co.uk and find a book from there! Ask your teacher on class dojo if you aren't sure of your username or password.

English - Write a review See below

Story time - Willy the Wizard: https://youtu.be/yIUYRAtyA2I

Topic-Science: To compare the suitability of different everyday materials See below

Tuesday: English

Write a review about what you have learnt from reading the Rainbow fact file.

Title
Opening sentence
Key facts
Fascinating facts
One photograph and picture is of
The diagram tells me about

<u> </u>
What did you like about the text?
What didn't you like?
What questions do you have?

Date	23.06.20 / 24.06.20
Subject/s	Maths
	To make arrays

Success Criteria I can draw arrays for multiplication calculations

2 x 3 =

I can write multiplication calculations for arrays

3 x 3 =

I can use arrays to solve multiplication calculations

3 x 3 = 9

Teacher Led example

There are 5 going across and 3 going down. So it is $5 \times 3 = 15$

Teacher Led

$$7 \times 2 = 2 \times 7$$

Fluency 1 - Draw arrays

5 lots of 3 = 3 lots of 5

$$6 \times 2 = 2 \times 6$$

$$2 \times 4 = 4 \times 2$$

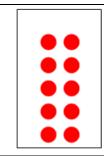

$$3 \times 10 = 10 \times 3$$

6 lots of 5 = 5 lots of 6

Find different ways to solve 7 x 5 with 10 cubes, how many array can you create? 1 Once you have created your array, complete:

Fluency 2- Write the multiplication calculation

<u>Mastery Challenge</u>

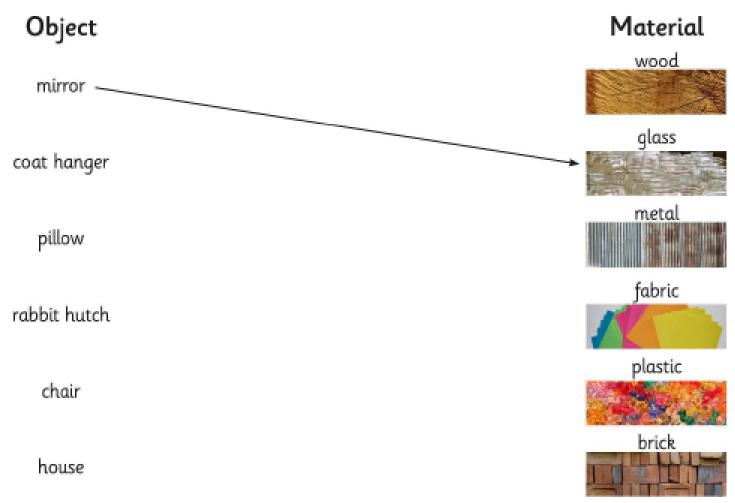

Topic: Science

To compare the suitability of different everyday materials.

Read the object descriptions and write down a material which you think would be suitable for the job. Explain the properties it has that make it suitable.
