Maths: Tuesday 14th July

Draw the reflection of each figure using the mirror line.

Remember to turn your paper so the mirror line is vertical. (It can be helpful to hold the paper up in front of your eyes to check the reflection.)
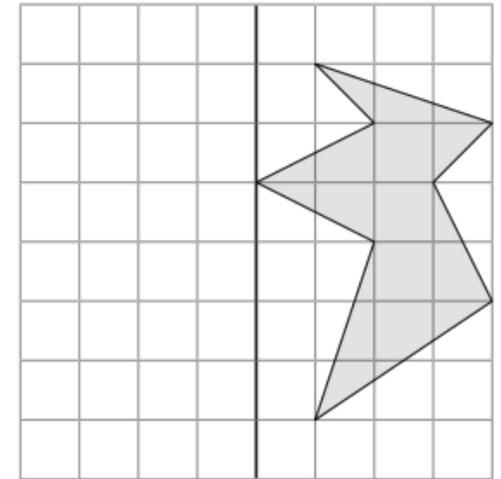

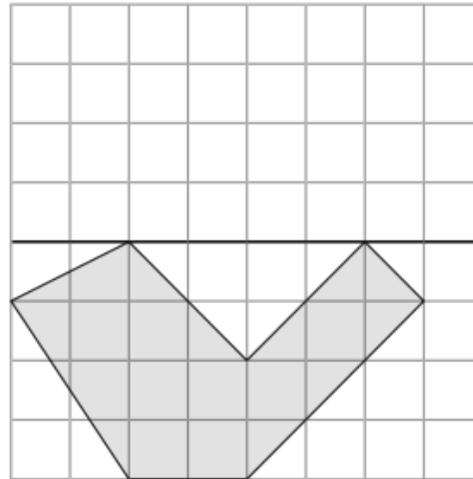

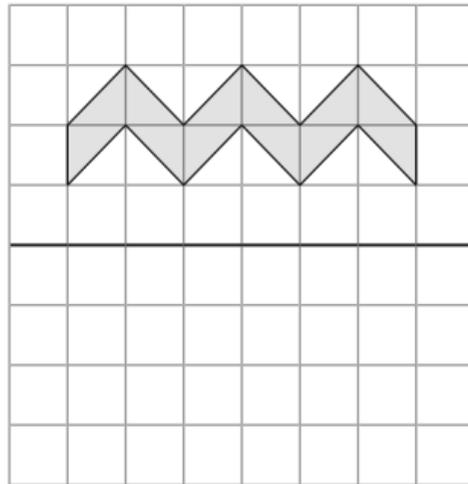

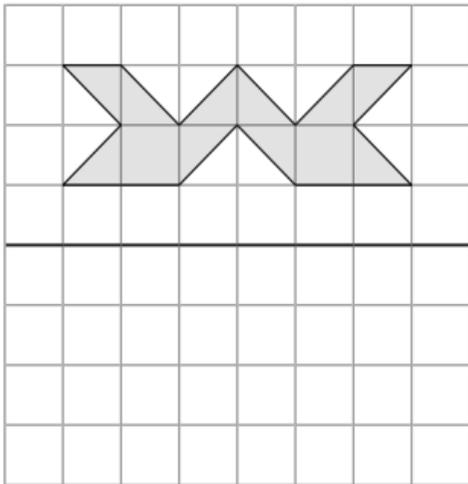

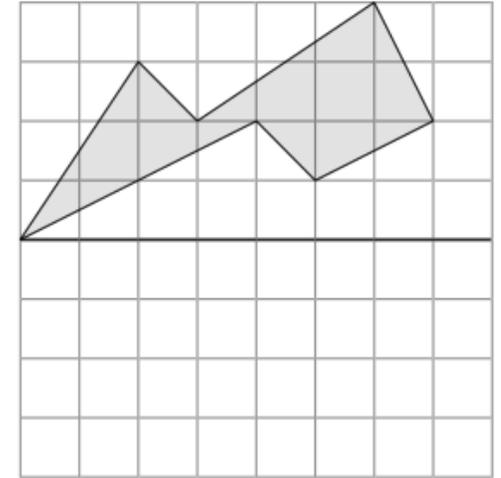

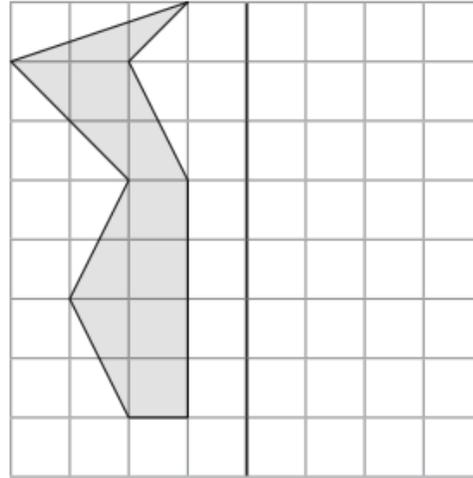

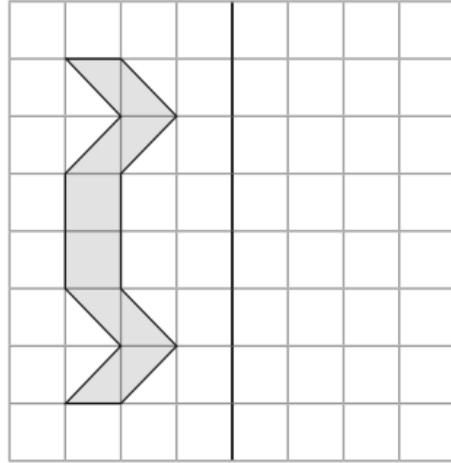

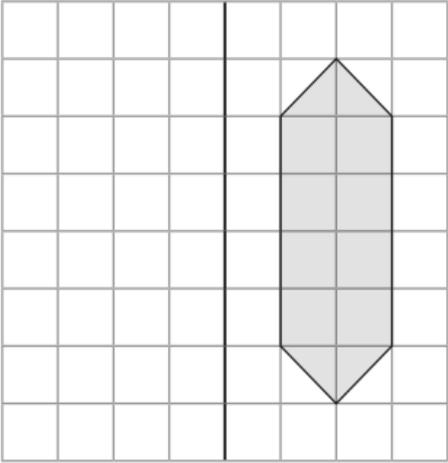

Problem solving and reasoning	Show your working out here
Dora: When given half of a symmetrical shape I know the original shape will have double the amount of sides. Do you agree with Dora? Convince me.	
How many different symmetrical shapes can you create using the given sides?
