How should we learn to manage our money?

Friday 2nd July - maths

First practice your number bonds to ten: <https://www.topmarks.co.uk/maths-games/hit-the-button>

Now use the number bonds to solve these additions: find the two numbers that make ten, then add on the third number.

 $5 + 2 + 5 = \underline{\quad}$	 $9 + 1 + 2 = \underline{\quad}$
 $3 + 8 + 2 = \underline{\quad}$	 $4 + 3 + 6 = \underline{\quad}$
 $3 + 7 + 5 = \underline{\quad}$	 $4 + 7 + 6 = \underline{\quad}$

How many ways can you make 20 using 3 numbers?

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 20$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 20$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 20$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 20$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 20$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 20$$

at Home

15th June 2020

What's going on this week?

A mother from Northumberland recently spent £100 on a second-hand vending machine to provide an opportunity for her children to learn about money after tiring of them arguing over snacks and other items during lockdown. Mother of four, Sarah Balsdon, was getting so fed up with her children's constant arguments she and her husband, Kyle, came up with the idea to provide them in a limited and controlled way, whilst helping the children learn how to manage money.

Things to talk about at home...

- 🌻 Have you received pocket money before, or do you receive it now?
- 🌻 Do you think the idea of getting pocket money is a good one? Why?
- 🌻 What age do you think children should start receiving pocket money?
- 🌻 Can you think of other ways that you can learn about money?
