

The Olympics

Aim

- I can learn about the past from sources including art.
- I can explain how the Olympics have changed over time and how they have stayed the same.

Success Criteria

- I can describe the modern day Olympic games.
- I can tell you why pottery can give us information about the Ancient Olympic Games.
- I can explain how important the Ancient Games were to the modern Olympic Games and say what is the same and what has changed.

Ancient Greek Olympics

The Olympics actually started in Ancient Greece. The different city states often fought but during the Olympics, peace was declared and everyone came together to enjoy the games.

The games began in 776BC in Olympia. It is believed that the games were a religious event to honour Zeus who was the king of the Gods.

Olympic Pottery

How does pottery help us find out what happened?

Some of the evidence about the games comes from paintings, most commonly found on vases!
