Thursday 28th January 2021- English planning

Think about the myth that we read 'Theseus and the Minotaur' who were the main characters in it? Were some more important than others?

Think about which character could be considered the hero? Or the monster? What are they like? What do they do? Where do they live?

Now you've thought about this you need to create your own monster and hero characters- think about what they look like/ what is their personality like?
