Oliver lived in the workhouse.			
Fagin controlled the boys.			
The boys stole valuables.			
		Oliver was saved by Mr Brownlow.	
		He was arrested by the police.	
		Oliver was taught what to do by the Artful Dodger.	
Challenge: Can you swap every sentence to passive or active voice? Find some examples of where it doesn't work. E.g. Oliver waited for food. The food was waited for by Oliver. The passive voice doesn't quite make sense!
