

**Steps to Success**

Lockdown	
Date	
Subject/s	Geography
Learning Objective 	To identify the differences between the Arctic and Antarctic

		SA 	TA 
Success Criteria 	I can use research to find out facts		
	I can present my work using geographic vocabulary		
	I can share my knowledge with others		
Support	Independent	Adult Support ( )	Group Work
Taught by TS			
<b>Key vocabulary for the lesson:</b>			
climate    Arctic    Antarctic    Venn diagram    compare    similarities    differences			

You are going to be researching to find out the main differences between the Arctic and Antarctic in particular: seasons, plants and animals. There are some websites linked below, but you can use others too!

It is up to you how to present your information, there are some suggestions and templates below. Remember to send your work in to school. You might even get in the gold book if your work is presented creatively!

1. Create a Venn diagram of animals/plants found in the Arctic and Antarctic
2. Use the internet to research and write notes comparing land type
  - a. This website is a good starting point  
[https://www.coolantarctica.com/Antarctica%20fact%20file/antarctica%20environment/antarctic\\_arctic\\_comparison.php](https://www.coolantarctica.com/Antarctica%20fact%20file/antarctica%20environment/antarctic_arctic_comparison.php)
3. Use the information sheet to draw labelled diagrams to explain changing seasons in the Arctic/Antarctic. This website is also useful <https://www.activewild.com/the-arctic-facts-for-kids/>
