Today you are going to be writing the final paragraph of our newspaper. Remember that this rounds off the report and talks about what is happening now or is going to happen.

What goes into paragraph 5?

Summary of what has happened.
Discussion about what is going to happen now or in the future.

Other things to remember:

- Capital letters and full stops.
- Quality vocabulary.
- Neat handwriting

What a good one looks like

The pylon and caravan are now being removed and the area is going to be turned into a new shopping complex.

Remember to read back through your whole newspaper report and find ways of editing and improving it.
