SA 	TA
--------	--------

Success Criteria 	I understand what risk is.		
	I can identify risk in different situations.		
	I can think of ways of reducing risk.		
Support	Independent	Adult Support ()	Group Work

Look at these different situations, can you identify the risks in them? What could you do to ensure that you would remain safe in the situation?

What is the risk?

What would you do to make sure you stayed safe?

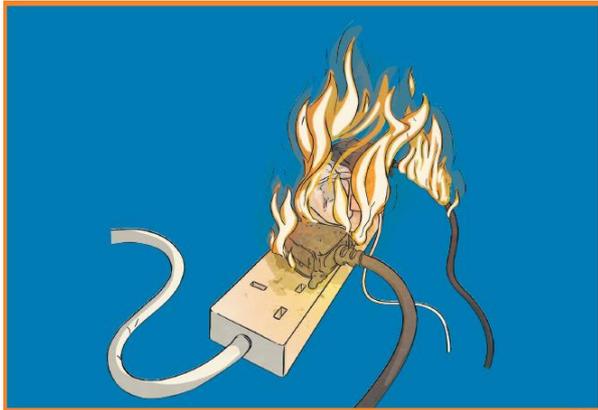

What is the risk?

What would you do to make sure you stayed safe?
