	I can research recycled materials.		
	I can research recycled material instruments.		
Support	Independent	Adult Support ()	Group Work
Key vocabulary for the lesson: noise sound materials purpose functional users instrument			

Dear children,

I am in a lot of trouble. I was supposed to be recording my new song this month, but some thief has robbed all of my instruments.

I need your help to build me some instruments, so that I can release my album on time. There is an issue though, I don't have any money.

I need at least, a guitar and a shaker. If you can think of any other instruments I will need, then that will make my music so much better.

I hope that you guys can help me, otherwise I am going to be in sooooo much trouble!

Kind Regards,

Drake.
