Today you are going to be writing paragraph 2 only- make sure you have finished paragraph 1 before moving onto paragraph 2.

In paragraph 1 you need to introduce the monster and how it is causing problems.

Thing to think about:

What is the monster called?

What does it look like?

Where does it live?

What is it doing that is causing a problem?

Remember when writing descriptions to use show don't tell sentences, start sentences with fronted adverbials and use powerful vocabulary.

Remember you want the reader to imagine the monster and where it lives- the only way they can do this is if they read really good descriptions.

Once you have finished read through your paragraph again and see if you could make it better by improving vocabulary.
