Today you are writing paragraph 4- the resolution

In this paragraph you need to write about how the hero defeats the monster and saves the day.

Things to think about:

- What have you written about so far in the story?
- How was the monster difficult to defeat?
- How does the hero defeat the monster?
- **Remember** that in this paragraph the hero defeats the monster and saves the day. This is the climax of the story so needs to include lots of description and interesting sentences.
- **Don't forget to use full stops and capital letters in every sentence !**
- Think carefully about how you will start every sentence- can you use a variety of sentence starters including fronted adverbials.

When you have finished writing your paragraph, read back through it and check that it makes sense, check that you have included full stops and capital letters and that you have lots of good quality vocabulary included- keep looking at the writer's toolkit!
