Pre-unit Quiz

Area

Animals including humans

The diagram shows a human mouth with four types of teeth highlighted in different colors: orange (incisors), green (canines), blue (premolars), and purple (molars). Arrows point from each type of tooth to a corresponding box for labeling and describing its function.

Four boxes for labeling and describing teeth:

- Top-left: Name of tooth: []
Function: []
- Top-right: Name of tooth: []
Function: []
- Bottom-left: Name of tooth: []
Function: []
- Bottom-center: Name of tooth: []
Function: []

Key:

- Orange square
- Green square
- Blue square
- Purple square

The boxes below explain the names and function of the types of teeth.

Cut out the boxes and stick them next to the correct arrow.

Incisor	Molar	Biting and cutting food	Grinding food
Wisdom Tooth	Canine	Tearing and ripping food	No function anymore
Premolar	Holding and crushing food		

* * * *

Explain how the digestive system works
