

Home Learning Grid: Spring 1.

Alchemy Island

Maths and English home learning will be given out weekly, you must complete this.

The ideas below are *optional*, you can complete as many or as few as you would like. Remember there is also 'MyOn' and 'My Maths' for additional maths and English activities.

Find out about (and watch!) films that show portals to other worlds, such as Harry Potter and the Philosophers Stone and Star Trek.	Read <i>The Lion, the Witch and the Wardrobe</i> or <i>Harry Potter and the Philosopher's Stone</i> . Write a review for your friends; be sure to describe the main characters.	Design a costume and travel kit for an alchemist. What useful things might an alchemist pack in a suitcase?
Make a model of your own fantasy island	Draw your own fantasy characters	Write your own story including mystical creatures and a fantasy setting
Create a comic strip to go with your story that you have been writing at school.	Can you have a go at separating a mixture by boiling the water? What do you notice? Make sure you ask an adult for help!	Experiment with making solutions at home. What will dissolve?
