## **Attendance Policy**

**September 2023**

**Approved by Trust Board on: 18<sup>th</sup> July 2023**

## **Introduction**

**Promoting good school attendance is everyone's responsibility.**

**DDAT strives to ensure that all its schools create an environment which enables and encourages all pupils to reach their full potential. For pupils to achieve in accordance with their potential and to gain the greatest benefit from their education, it is vital that they attend regularly.**

**DDAT understands that barriers to attendance are complex, and that some pupils find it harder than others to attend school; therefore, DDAT schools will prioritise cultivating a safe and supportive environment at school, as well as strong and trusting relationships with all pupils and parents.**

## 1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance and supporting punctuality in attending lessons
- Ensuring equality and fairness for all.
- Ensuring this attendance policy is clear and easily understood by staff, pupils parents.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Intervening early to address patterns of absence and working with other agencies to ensure the health and safety of other pupils
- Building strong relationships with families to overcome barriers to attendance and ensure pupils have the support in place to attend school.
- Ensuring parents follow the framework set in section 7 of the Education Act 1996, which states that the parent of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.
- Working collaboratively with other schools in the area, as well as other agencies.
- Regularly monitoring and analysing attendance and absence data to identify pupils or cohorts that require more support.

## 2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [Missing Children and Adults - A cross government strategy \(publishing.service.gov.uk\) \(2011\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

- [DfE's guidance on Children Missing Education \(updated September 2016\)](#)
- [Full-time enrolment of 14 to 16-year-olds in further education and sixth-form colleges - GOV.UK \(www.gov.uk\)](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

### **3. Roles and responsibilities**

#### **3.1 The governing body**

### **3.5 Class teachers**

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office at the close of registration twice a day.

- Class teachers should have initial conversations with parents when attendance starts to dip to encourage attendance and offer support where necessary.
- Class teachers should contact parents via Class Dojo on the first day children are absent to enquire as to the child's wellbeing and keep in regular contact via Dojo during the absence.
- Class teachers should appoint an 'Attendance Buddy' to support children when they return to school, welcome them back and help them engage back in class.
- Class teachers should direct Teaching Assistants to support children to catch up on missed learning wherever possible and practical through post and pre teaching, small group work etc.

### **3.6 School Office staff**

School Office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system.
- Transfer calls from parents, when necessary, to an appropriate member of the SLT in order to provide them with more detailed support on attendance.

### **3.7 Parents/carers**

Parents/carers are expected to:

- Make sure their child attends every day on time. The school start time is 8.55am, with children being able to go to class from 8.45am and the school day ends at 3.30pm. Any child can attend the free Breakfast Club on any day, without booking from 8.20am.
- Call the school to report their child's absence before 9.30am on the day of the absence and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day which runs from 8.55am-3.30pm.
- Be aware that school staff may make home visits if children are absent for any period of time or are repeatedly absent.
- Understand that no holidays will be authorised during term time for any reason.
- Understand that unauthorised absence could result in a fine, a meeting with the Educational Welfare Officer, Attendance Officer and/or a member of

the Leadership Team to look at how to support families in ensuring their children access their full right to education in the UK.

### **3.8 Pupils/students**

Pupils/students are expected to:

- Attend school every day, on time.
- Encourage families to bring them to school every day.

## **4. Definitions**

The following definitions apply for the purposes of this policy:

### **4.1 Absence**

- Arrival at school after the register has closed
- Not attending school for any reason

### **4.2 Authorised Absence**

- An absence for sickness for which the school has granted leave
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency for which the school has granted leave

### **4.3 Unauthorised Absence**

- Parents keeping children off school unnecessarily or without reason
- Truancy before or during the school day
- Absences which have never been properly explained or the reason is believed to be disingenuous
- Arrival at school after the register has closed
- Absence due to shopping, looking after other children or birthdays
- Absence due to day trips and holidays in term-time
- Leaving school for no reason during the day

#### **4.4 Persistent Absence (PA)**

- Missing 10 percent or more of schooling across the academic year for any reason

### **5. Recording attendance**

#### **5.1 Attendance register**

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances.

Any amendment to the attendance register will include:

- The original entry.
- The amended entry.
- The reason for the amendment.
- The date on which the amendment was made.
- The name and position of the person who made the amendment.

*See appendix 1 for the DfE attendance codes.*

We will also record:

- Whether absences are authorised or not.
- The nature of the activity if a pupil is attending an approved educational activity.
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

The register for the first session will be taken at 9.55am and will be kept open until 9.25am. The register for the second session will be taken at the start of the afternoon session; 12.30pm for Infants and 1.30pm for Juniors. It will be kept open for 30 minutes.

#### **5.2 Unplanned absence**

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.30am or as soon as possible by contacting the school office staff (see also section 8).

Parents may also contact the Learning Mentor on her phone or the Class teacher via Class Dojo.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness or the illness is repeated with no evidence of medical advice being sought.

If the authenticity of the illness is in doubt, or the illness is repeated the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this in advance.

### **5.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised if the pupil's parent/carer notifies the school in advance of the appointment and providing the child is absent for only the time of the appointment, attending school before and after the appointment time where possible.

Only medical appointments which are made in the UK will be classed as authorised absence. Prolonged absence for medical appointments overseas will be unauthorised, unless this is for necessary treatment not available in the UK.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

### **5.4 Lateness and punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.

Families of children who are persistently late will be called in for a meeting with the relevant member of school staff to discuss ways in which punctuality can be supported.

### **5.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts and the school has reason to be concerned, a home visit may be conducted.

- If the pupil is classed as child protection or persistent absentee, the social worker will be made aware of the absence and a home visit may be conducted by Social Care or school staff. A dynamic risk assessment will be undertaken with the social worker to inform the necessity of a home visit and by whom.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session.
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary.
- If absence continues, the school will consider involving other agencies as appropriate. E.g. Follow local procedures for Children Missing Education CME.
- An Early Help Assessment may be offered for families where the children are regularly absent or a referral to Social Care if the absence is accompanied by low level or other concerns.

## **5.6 Reporting to parents/carers**

The school will regularly inform parents about their child's attendance and absence levels at parent teacher afternoons. A written summary of attendance is provided at these times. A written summary of attendance is included with the end of year written report.

For children where absence is a concern, parents are given summary attendance print outs with the concerns highlighted when they are either called in for a formal meeting with school and the Educational Welfare Officer or where the school is starting to have concerns about attendance.

Attendance summaries are reported on at all meetings with safeguarding external agencies such as Social Care.

Parents can request an attendance summary printout at any point by contacting or calling into the school office.

Where attendance printouts are requested by another agency such as the Home Office, Benefits Office, HMRC, the school will send this information directly to the agency requesting it upon being given this information by parents. This helps to ensure the school are not unknowingly complicit in benefit fraud.

## **6 Authorised and unauthorised absence**

### **6.1 Approval for term-time absence**

The Department for Education stipulates that Headteachers / Executive Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. There is no automatic right to any leave in term time, and any leave of absence is granted at the Headteacher's / Executive Headteachers discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, considering the specific facts, circumstances, and relevant context behind the request.

Any request should be submitted as soon as it is anticipated, before the absence, and in accordance with any leave of absence request form, which can be obtained from the school office. The school expects the form to be collected in person to enable the absence to be discussed and expectations/possible outcomes such as a fine, to be discussed. The Headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart. The school will authorise one day for each religious observance.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.

## **6.2 Legal sanctions**

The Local Authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Headteacher / Executive Headteacher, local authority officer or the police.

The decision on whether to issue a penalty notice may consider:

- The number of unauthorised absences occurring within a rolling academic year.
- One-off instances of irregular attendance, such as holidays taken in term time without permission.
- Where an excluded pupil is found in a public place during school hours without a justifiable reason.

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## **7. Strategies for promoting attendance**

Promoting good school attendance is everyone's responsibility.

To promote good attendance our school uses the following strategies:

- Weekly celebration for the classes whose attendance is over 96% or over
- Certificates to be displayed in the classroom
- Display in the hall celebrating classes with high attendance
- Class reward for any class who achieves 100% attendance in any week
- Certificates, rewards, badges for 100% termly and yearly attendance for individual children

## **8. Attendance monitoring**

### **8.1 Monitoring and analysing attendance**

The attendance officer will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address habitual absence as soon as possible.

The school will collect data regarding punctuality, truancy, and authorised and unauthorised absence, for:

- The school cohort.
- Individual year groups.
- Individual pupils.
- Demographic groups, e.g., pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g., pupils with SEND, LAC, and pupils eligible for FSM.
- Pupils who have an allocated social worker or are known to social care.
- A pupil who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines.
- Pupils at risk of PA.
- Pupils at risk of SA.

The attendance officer will conduct a thorough analysis of the above data on a half-termly, termly, and full-year basis to identify patterns and trends. This will include identifying, for each group:

- Patterns in uses of certain codes.
- Particular days of poor attendance.
- Historic trends of attendance and absence.
- Barriers to attendance.

The attendance officer will provide regular reports to staff across the school to enable them to track the attendance of pupils and to implement attendance procedures. Specifically, where there is a safeguarding concern for a pupil absent or

missing from education, the attendance officer will alert the DSL in accordance with the school's established safeguarding recording and reporting processes.

The attendance officer will also be responsible for monitoring how attendance data changes in response to any interventions implemented to increase attendance in future.

The Local Governing Body will regularly review attendance data, including examinations of recent and historic trends, and will support the Headteacher in setting goals and prioritising areas of focus for attendance support based on this data.

The school will also benchmark its attendance data against local-, regional- and national-level data to identify areas of success and areas for improvement and will share practice which has been shown to be effective with other schools.

The board of trustees will ensure staff from different schools within the trust regularly share expertise and collaborate on interventions.

Attendance data will also be monitored via FFT by the Trust and fed back to the Trust Board throughout the year at the Education and Standards Committees.

## **8.2 Using data to improve attendance**

The school will:

- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

## **8.3 Reducing persistent and severe absence**

Persistent absence is where a pupil misses 10% or more of school.

Severe absence is where a pupil misses 50% or more of school.

The school will:

- Ensure notes are added to their MIS system i.e. Integris to generate an evidence trail that can be cross referenced with safeguarding software
- Use attendance data to find patterns and trends of persistent and severe absence.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.
- Provide access to wider support services to remove the barriers to attendance, through offering an Early Help Assessment.

## **9. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years by the Trust. At every review, the policy will be approved by the full governing board.

## **10. Links with other policies**

This policy links to the following policies:

- Safeguarding and child protection policy
- Behaviour policy
- Children Missing Education policy
