

Nursery 2 Long Term Plan 2022 - 2023

Firs Primary School Vision.

At Firs we value and appreciate our very diverse community and believe that every child has the potential to achieve academic success. Through our curriculum and school ethos we support each child to feel secure, supported and loved enabling them to achieve social and emotional wellbeing.

We are proud of all our children and endeavour to make them feel proud of themselves, their school and their cultural heritage, recognising their individuality, personal strengths and creativity.

As part of our Firsy Family we encourage positive attitudes, independence and high aspiration, ensuring every member of our family knows the value they can add to society.

Curriculum intent

In our EYFS unit we intend for children to be ready, respectful and safe. Ready for the next stage in their learning journey. Ready to be challenged and to challenge themselves.

We teach children to be respectful of others and of the many wonderful differences that make each child unique.

We support children to feel safe through our positive relationships and our stimulating environment. We aspire for all children to feel safe to explore, manage their own risks and to make safe choices.

We are determined for our children to be confident, independent and to believe in themselves.

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
CHARACTERISTICS OF EFFECTIVE LEARNING	<p>Playing and exploring: Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p>Active learning: Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p>Creating and thinking critically: Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>					
OVER ARCHING PRINCIPLES	<p>Unique Child Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>Positive Relationships Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p>Enabling environments Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p> <p>PLAY At Firs Primary School we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. PLAY is essential for children's development across all areas. Play builds on children's confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.</p>

Nursery Long Term Plan 2021-22

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
GENERAL THEMES	I WONDER HOW THE STORY WILL END?		I WONDER WHAT HAPPENS WHEN I FALL ASLEEP?	I WONDER WHAT HAPPENS ON A FARM?	I WONDER WHAT A MINIBEAST IS?	I WONDER WHAT A ROCK POOL IS?
COMMUNICATION AND LANGUAGE	<p>The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.</p>					
Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Pie Corbett T4W actions, EYFS productions, assemblies and weekly interventions.	<p>WellComm activities Core Rhymes Phase 1 phonics Settling in activities Making friends Show an interest in the lives of other people</p> <ul style="list-style-type: none"> I can respond to my name and change my activity when encouraged I can listen and respond to adults and peers I can follow simple instructions with visuals I can use longer sentences 	<p>WellComm activities Core Rhymes Phase 1 phonics Settling in activities Making friends Show an interest in the lives of other people</p> <ul style="list-style-type: none"> I can concentrate for slightly longer periods I can join in with a small group I can follow two-step simple instructions with visuals I can express desires, feelings and needs 	<p>WellComm activities Core Rhymes Phase 1 phonics Settling in activities Making friends Show an interest in the lives of other people</p> <ul style="list-style-type: none"> I can remember and join in with stories and rhymes I can understand more simple questions and answer appropriately I can begin to hold two-way conversations with adults and peers I can speak in 4 word sentences 	<p>WellComm activities Core Rhymes Phase 1 phonics Settling in activities Making friends Show an interest in the lives of other people</p> <ul style="list-style-type: none"> I can join in with the repeated lines and refrains I can ask simple questions and wait for a response I can remember and use new words I can engage in imaginary role-play sometimes building stories around objects and toys 	<p>WellComm activities Core Rhymes Phase 1 phonics Settling in activities Making friends Show an interest in the lives of other people</p> <ul style="list-style-type: none"> I can anticipate key events in stories I can begin to understand and ask why and how questions I can speak in 6 word sentences I can explain my own thinking/ideas I can use language as a powerful means of widening contacts and sharing feelings 	<p>WellComm activities Core Rhymes Phase 1 phonics Settling in activities Making friends Show an interest in the lives of other people</p> <ul style="list-style-type: none"> I can listen to stories with increasing attention and recall. I can follow three-step simple instructions, sometimes without visuals I can use and or because to link my thoughts I can use language to recall past events and talk about future events
DAILY STORY TIME						
TALK FOR WRITING	<p>As part of Talk for Writing children are introduced to a 5 part story telling when reading and retelling stories. This will be used during our Literacy sessions, independent learning and Helicopter story sessions.</p> <p>5-part story: Once upon a time, First/then/next, But/unfortunately, So/luckily, Finally, ... happily ever after</p> <p><i>We understand that children will make progress at different times. There is no right time... they will progress when they are ready.</i></p>

GENERAL THEMES	I WONDER HOW THE STORY WILL END?		I WONDER WHAT HAPPENS WHEN I FALL ASLEEP?	I WONDER WHAT HAPPENS ON A FARM?	I WONDER WHAT A MINIBEAST IS?	I WONDER WHAT A ROCK POOL IS?
PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT MANAGING SELF	Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives , and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world . Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others . Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating , and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life .					
PSHE SCARF SCHEME	<p>Circle time Handwashing Class rules: Behavioural expectations in the class/ boundaries set Independence: selecting and putting back own belongings</p> <ul style="list-style-type: none"> I can separate from my main carer with support I can distract myself when I am upset I can use an adult as a secure base I can play alongside others I know about personal hygiene 	<p>Circle time Handwashing Class rules: Behavioural expectations in the class/ boundaries set Independence: selecting and putting back own belongings</p> <ul style="list-style-type: none"> I can express my own feelings I am beginning to understand that some actions and words can hurt other's feelings I can begin to share my experiences with others I am beginning to cooperate in situations when I feel happy 	<p>Circle time Handwashing Class rules: Behavioural expectations in the class/ boundaries set Independence: selecting and putting back own belongings</p> <ul style="list-style-type: none"> I can separate from my main carer with support I can distract myself when I am upset I can use an adult as a secure base I can begin to accept the needs of others and can take turns and share resources I can demonstrate friendly behavior and form good relationships with adults and peers 	<p>Circle time Handwashing Class rules: Behavioural expectations in the class/ boundaries set Independence: selecting and putting back own belongings Being kind to living creatures Taking care of animals and others Importance of exercise and healthy eating</p> <ul style="list-style-type: none"> I can express my own preferences and interests I can respond to a few appropriate boundaries I can show confidence in asking adults for help I am beginning to understand about foods that are healthy and unhealthy I am confident to talk to other children when playing 	<p>Circle time Handwashing Class rules: Behavioural expectations in the class/ boundaries set Independence: selecting and putting back own belongings Being kind to living creatures Taking care of animals and others Importance of exercise and healthy eating</p> <ul style="list-style-type: none"> I can separate from my main carer with support I can distract myself when I am upset I can use an adult as a secure base I can usually tolerate delay when my needs are not immediately met I welcome value and praise for what I have done 	<p>Circle time Handwashing Class rules: Behavioural expectations in the class/ boundaries set Transition into F2 School readiness</p> <ul style="list-style-type: none"> I enjoy the responsibility of carrying out small tasks I can select and use activities and resources independently I can follow rules and understand why they are important I understand that my wishes may not always be met I am confident and outgoing with familiar people in the safe context of my setting
SELF - REGULATION	Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly . Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate . Give focused attention to what the teacher says , responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.			"Self-regulatory skills can be defined as the ability of children to manage their own behaviour and aspects of their learning. In the early years, efforts to develop self-regulation often seek to improve levels of self-control and reduce impulsivity. Activities typically include supporting children in articulating their plans and learning strategies and reviewing what they have done." Education Endowment Foundation"		
We understand that children develop in individual ways and at varying rates – physically, cognitively, linguistically, socially and emo-						

Nursery Long Term Plan 2021-22

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
GENERAL THEMES	I WONDER HOW THE STORY WILL END?		I WONDER WHAT HAPPENS WHEN I FALL ASLEEP?	I WONDER WHAT HAPPENS ON A FARM?	I WONDER WHAT A MINIBEAST IS?	I WONDER WHAT A ROCK POOL IS?
PHYSICAL DEVELOPMENT	Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives . Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness , co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination , which is later linked to early literacy . Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence .					
FINE MOTOR Daily opportunities for Fine Motor Activities Provide extra help and guidance when needed.	<ul style="list-style-type: none"> I can hold a pencil (fisted/digital pronate grip) to make marks I am beginning to do up my own large buttons I can turn the pages in a book 	<ul style="list-style-type: none"> I can fit the pieces of a puzzle together I can pick up tiny objects using a fine pincer grasp I can use one-handed tools and equipment, e.g. make snips in paper with child scissors 	<ul style="list-style-type: none"> I can use tweezers I can use tools effectively in playdough (eg: cutters/rollers) I can take off and put on my own shoes (not laces) I am beginning to do up my own zip 	<ul style="list-style-type: none"> I can show increasing control over tools like pencils and crayons I can use tools for mark making with control. I can grip using five fingers or preferably two fingers and thumb for control. 	<ul style="list-style-type: none"> I can use a 4 finger grip to hold my pencil I can use pincers, tweezers and threading equipment with increasing control and confidence 	<ul style="list-style-type: none"> I can use scissors effectively to cut straight lines in paper I am beginning to use 3 fingers (tripod grip) to hold my pencil
GROSS MOTOR Daily opportunities for Gross Motor Development	<ul style="list-style-type: none"> I can move my body in different ways. (Rolling, crawling, walking, jumping, hopping, skipping) 	<ul style="list-style-type: none"> I can fit into spaces, like tunnels, dens and large boxes, and move around in them I can go up steps and stairs, or climb up apparatus, using alternate feet. 	<ul style="list-style-type: none"> I can move around safely with some awareness of others. I can perform a single skills or movement with control. 	<ul style="list-style-type: none"> I can travel in a variety of different ways using a wide range of body parts I can begin to recognise danger and seeks support of significant adults for help. 	<ul style="list-style-type: none"> I can kick a stationary ball with either foot. I can throw a ball with increasing control I can catch using two hands to grasp and release a ball, bean bag or an object 	<ul style="list-style-type: none"> To be able to move around safely with some awareness of others Consolidate skills from the year.
<p>CONTINUOUS PROVISION; Cooperation games i.e. parachute games, Climbing – outdoor equipment., Help individual children to develop good personal hygiene, . Provide regular reminders about thorough handwashing and toileting. Crates play- climbing, Provide a range of resources for children to balance, sit on, or pull and push.</p> <p>From Development Matters 2020':</p> <p>Revise and refine the fundamental movement skills they have already acquired: - rolling - crawling - walking - jumping - running - hopping - skipping – climbing</p> <p>Progress towards a more fluent style of moving, with developing control and grace.</p> <p>Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming.</p> <p>Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons.</p> <p>Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.</p> <p>Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. Develop overall body-strength, balance, co-ordination and agility.</p> <p>Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.</p>						

All these ideas will be revisited each term. Children need time to practice and consolidate. Repetition is a good thing.
