

Retrieval practice in Year 2

SPaG – at the beginning of every lesson. Children complete on whiteboards and then we go through together.

Retrieval practice

Friday 13th October

1. Change the following adjectives into nouns using the suffix -ness.

	Adjectives	Nouns
a)	hard	
b)	fair	
c)	fit	
d)	silly	
e)	rude	

2. Can you write the correct noun in these sentences?

a) The girl gets sick in a car. She suffers with travel _____.

b) Jack always looked neat. He was well known for his _____.

Retrieval practise

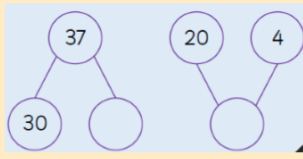

Wednesday 8th February 2023

match the contractions

don't	could not
won't	I have
can't	cannot
didn't	will not
couldn't	have not
shouldn't	do not
haven't	should not
I've	did not

Maths – mostly arithmetic or things we have done in previous lessons. Completed on whiteboards.

Daily Arithmetic

--- = 14 - 8

24 + 6 =

32 - 5 =

half of 10 =

2 tens + 9 ones =

2 + 2 + 2 + 2 + 2 =

76 - 30 = 12 + ----

English – completed at the beginning of a lesson. Maybe partner talk, independent on whiteboards or in groups.

Retrieval

Circle the adjectives in the sentences.

Traction man is a fearless, brave hero.

His gleaming, red cape fluttered through the air.

Retrieval

question mark or full stop

Do you like cake

Dad is mowing the lawn

Would you like to play with me

Sam went down the slide

Topic examples. Again, this maybe a class discussion, partner talk or group discussion

Retrieval:

What is Ameila Earhart famous for?

Retrieval- With your partner think of as many words linked to Judaism we learnt last week. Use the pictures to help you.

Retrieval - what can you remember from Year 1?

How many everyday materials can you name?
What are these materials used for?

Can you remember anything about them?
-What did they look like?
-What did they feel like?

What did you find out and what did you learn?

Retrieval

1 Which of these is the correct definition of 'materials'?

- A how the object behaves and what it is like e.g. bendy
- B what objects are made from e.g. wood
- C things that can be used e.g. chair

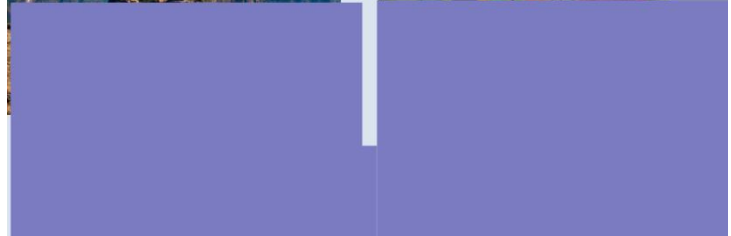

2 Which of these is a property of wood?

- A strong
- B transparent
- C stretchy

3 Which of these materials can be described as hard, smooth, transparent and waterproof?

- A glass
- B cardboard
- C fabric

Retrieval practise- Guess the continent!
