

Homework Grid: Spring 1 – Urban Pioneers

Maths and English homework will be given out weekly, you must complete this.

The ideas below are *optional*, you can complete as many or as few as you would like.

Imagine you have been asked to design a new building to inspire the residents of a town or city. Design your architectural masterpiece and perhaps make a model of it!

Photograph examples of graffiti – decide if you think it is art or vandalism.

Sign your name graffiti style – on paper that is! There are online 'graffiti creators' which will convert your name into graffiti-style lettering. Print your design idea and bring it to school.

Look at structures in nearby or research those in Derbyshire, such as bridges, towers or tunnels. Which is the oldest structure? Which is the newest?

Take a virtual tour of cities around the world, exploring images online. Compile a list of places you would like to visit.

Upload an image of a prominent city centre building to a drawing program. Crop the picture and then use your drawing skills to recreate the other half of the picture.
