

Street Detectives

Year 2 Home Learning Challenge

Draw a plan or map of your ideal neighbourhood. Who would you like to have living on your street? You might choose fairytale characters, sports champions or pop stars. What type of house would your ideal neighbours have? Create a key to show features on your map. What local amenities would your residents need? For example, Harry Potter might need a wand shop, and Rapunzel might need hairdressers!

Research one of the significant people from Derby and write 5 facts about them.

- Florence Nightingale
- Joseph Wright
- Michael Bass

Look in detail at the outside of your own house and make a careful observational drawing.

Arrange with your family to do something to improve the local community. This could be litter picking, helping a neighbour or doing something kind for someone. Take a picture of the work you did and post it on Dojo. Write about how it made you feel.

Keep a weather diary for week.

Day: _____ Date: _____

What can I see?

What can I hear?

Draw a picture of the weather:

My Weather Diary

Ask your teacher for a diary template.

Go for a walk around your local area. What street signs can you see? Design and make your own street sign to encourage people to pick up their litter or clean up their dog mess.

Visit a Derby museum with your family (entrance is free!). There's Pickford's House, Derby Museum and Art Gallery and the Museum of Making.
